Made my own Portfolio displaying my skills and projects.

EDUCATION

Bachelor's Degree in Computer Science and Engineering

Aug '19 - Jul '23

Sipna College of Engineering and Technology

Amravati

CGPA : 7.93/10.0

ACHIEVEMENTS

1) Abode Analytics Challenge 2021 -

- The Abode Analytics Challenge 2021, in which more than 4000 teams from around the world participated, featured the top 20 semifinalists. I made use of the Adobe Analytics tool, which enables in-depth analysis, versatile reporting, and predictive intelligence, to create better consumer experiences.

2) Finalist at Cerbrosark Innovations' 24-hour national-level hackathon.

- Worked on building a emotional AI technology that can accurately detect facial emotions and generate overall report, to help businesses better understand their customers.

COURSES AND PROJECTS

1) Front-end Development Training :

- Developed a number of projects, such as a news website that displays the most recent news and a portfolio project. Worked with **JavaScript, SQL, MongoDB, React, HTML and CSS.**

2) Web Development Bootcamp program:

- Completed this program successfully and gained proficiency in various web development technologies. **(Udemy)**
